SPARE PARTS AND CONSUMABLES

We stock a large range of spares and consumables to keep your down time to a minimum.

Give our friendly parts department a call for all of your part requirements.

STAFF UPDATE

Rachel has now left the company and returned to her previous job in a local school. Jeff has reduced his hours and is now concentrating on Automowers and Quad Bikes.

Our newest Team Members are Bridget, our Sales Administrator, Maurice, our Area Sales Manager, and Daz who has joined our team of Engineers. We would like to wish them all a very warm welcome.

50 YEARS OF KUBOTA IN EUROPE

This year Kubota celebrates its 50th year in Europe. Three of our staff at 'Team Hunts' had the opportunity to attend the celebrations in Spain and see what Kubota's vision is for the future along with getting a sneak peek at some new products.

Whilst we were there, we got to see autonomous tractors, a new battery powered ride on mower, a new outfront collector mower plus a long awaited zero turn mower with a 54" rear discharge deck.

Kubota also displayed the new range of wheeled loaders and telehandlers to compliment their construction product range.

The agricultural range from Kubota will have a new addition in 2025 with the M7004 range featuring some new optional extras including auto-guidance to help keep costs to a minimum and speed up the job.

We would like to thank Kubota for their hospitality and congratulations for reaching 50 years in Europe.

SERVICING AND REPAIRS

We offer agricultural and garden machinery repairs and servicing for all equipment, large or small. Whether you need your push lawn mower repaired, or your combine serviced, and anything in between, we have the specialist skills to offer prompt, efficient servicing or repairs to meet all your requirements.

We run a large workshop, fully equipped with specialist equipment to ensure accurate diagnostics and speedy repair times, run by qualified technicians and trainee apprentices. Our technicians are trained to a very high level and their experience spans 150+ years within the agricultural, garden care and garden machinery industry. We can also offer prompt on site servicing.

HIRE

We offer a range of hire machinery on short or long term hire.

Visit our website to view our extensive range with competitive prices.

YOUR GARDENING CALENDAR

Put your robotic mower away into storage for the winter, or book it in to us for service and winter maintenance. Remember that your robotic mower battery must be fully charged and kept frost-free during winter storage.

For other battery operated products, we recommend charging your batteries to at least 50% before winter for a longer life. Batteries are best stored warm in 5-25°C.

WE HAVE A VARIETY OF PRE-OWNED STOCK

For more info and prices, please contact our team on 01608 638407

Wessex Flail Mower (as new)

Allett Classic Liberty

Husqvarna Tiller (as new)

We update our new and pre-owned stock on a regular basis. If what you are looking for is not on the list above, please get in touch.

Visit our showroom and chat with a member of our friendly and knowledgeable sales team who will help and advise you. Alternatively, you can call us on 01608 638407 and discuss your requirements.
